The Silicon Valley Toxics Coalition, in collaboration with the Olinder Neighborhood Center, offers eight week courses on environmental awareness that are free to the community. It's primary goal is to help residents understand the dangers of every day chemicals in and around their home, and help parents identify and keep those chemicals away from young children. Classes are conducted in English and Spanish. Contact the Olinder Neighborhood Center to enroll.

**MACSA Latch Key Program**

The Mexican American Community Services Agency partners with the City of San José and Olinder Elementary School to offer a safe place for elementary aged youth to go to for after school supervision through 6:00 PM. Literacy, education, and nutrition are the focus of this program. Youth are accepted on a first come, first serve basis. To enroll, contact Eva Chavez at the Olinder Neighborhood Center.

**Olinder Brown Bag Program**

Olinder Neighborhood volunteers, in cooperation with the Second Harvest Food Bank, offer nutritional assistance to area seniors through the weekly brow bag program. Food distribution for program participants is offered weekly for qualifying seniors who meet the age and income requirements. For additional information or to volunteer for this program, contact the Olinder Neighborhood Center.

**Olinder Food Program**

The Olinder Neighborhood Brown Bag program is an award winning neighborhood program run entirely by volunteers and dedicated to maintaining a health community through access to nutrition.
